Purpose: To revise grammar and vocabulary at the end of a unit.

Time: It is up to the teacher and the length of the activity.

Procedure:

1. Make teams.

2. Choose a leader from each team to give the response (If there is an electronic board).

3. Choose a category and click on it.

4. Click on the possible answer.

5. If the answer is correct a label with the word "correct" will be displayed and if the answer is incorrect a label with the word "wrong" will be displayed.

6. It is then the other team's turn.

7. When all the answers have been cosen, click on the question in the middle of the screen to go back to the menue of teh categories.
